Kayseri City Overview

The city of Kayseri is located in a region of the country that is rich in ancient history, where you will love the colorful culture that decorates the city. It is also one of Turkey's fastest-growing cities, which makes it perfect for both business and pleasure. Go shopping at the Forum Shopping Mall and explore the abundance of retail outlets for the perfect souvenir, or stroll around the local shops at the city's market.

Cappadocia Overview

Cappadocia is the sprawling area of central Turkey which lies between Aksaray in the west, Kayseri in the east and Nigde in the south. Modern Cappadocia is an incredible place, criss-crossed with valleys and dotted with dramatic rock formations. Whatever your expectations or travel style, it's impossible to go home disappointed.

With soaring rock formations, uniquely-rippled landscapes, splendid walking trails, mysterious underground cities and rock-cut churches, Cappadocia is the must-see destination in Turkey.

Turkish Heritage Travel, located in **Goreme** – a village in the heart of Cappadocia (and where most travelers prefer to stay) – is your local authority on the Cappadocia region.

The main 'must-see' attractions in Cappadocia are the two large **open-air museums** and the best of **the underground cities**. However, there are also many small, all-but-forgotten rock-cut churches and monasteries, splendid hiking trails, several spectacular caravanserais and many dramatic rock formations well worth going out of your way to visit.
